

FOR AGRICULTURE / SOIL PREPARATION / RAKES AND BROOMS /
Brooms

Product reference

3041 CM

Flat Prongs Lawn Rake with Handle / 3041 CM

Brand

Bellota

EAN code

8414299159417

Use

It has never been so easy to clean the lawn, gather leaves or other waste.

Bullet points

An indispensable gardening aid.

Robust, they will not bend. The flat bristles are made of high-quality steel with a thermal treatment that makes them resistant to bending and that will help you clean cut grass, leaves and waste without damaging the lawn.

The extra-long wooden handle is varnished, is lightweight and is very smooth to the touch. FSC certified. You won't want to set it down. 1500 mm, high-quality FSC certified.

Description

Garden broom, FSC wood handle, with strong steel flat prongs for lawn cleaning.
