Spare Bolt + Nut for Pruners 3510 / 3510-BT

Brand

Bellota

EAN code

8414299551303

Use

Replacement.

Bullet points

Spare bolt + nut for 3510 pruner

Exclusive and unique. Our 'easy adjustment' joint system is precise, simple and stable and we have PATENTED it.

The mechanism is as simple as releasing the bolt with an allen wrench 4mm and adjusting blade nuts with the same key

Description

Spare bolt + nut for Bellota 3510, 3604 and 3504 pruners.
