Brand

Bellota

EAN code

8414299576290

Use

For universal pruning: vines, fruit trees and olive trees. Ideal for pruning thick branches.

Bullet points

Will last a lifetime. Chrome vanadium steel blade for continuous professional use. Easy, clean cuts.

Cutting thick branches will be very easy with these one hand pruner with ergonomic trimaterial handle.

Slanted cutting head to give a comfortable cutting position to avoid bending the hand.

Our cutting blades are specially designed to facilitate the cutting of 30mm diameter branches.

Exclusive and unique. Our 'easy adjustment' joint system is precise, simple and stable and we have PATENTED it. For an easy and clean cut.

Description

One hand bypass universal pruner, cutting diameter 30mm thanks to the special design of the bypass blade, which penetrates the branch easier. Tri-material co-injected handle for increased durability. Ergonomic handle design to fit comfortably in the hand and improve strength transmission. Ergonomic design. For heavy duty use. It has a patented blade-counter blade adjustment system: Easy Adjust joint system is a precise, simple and stable system.
