ProLine 2 Hand Fruit Pruner / 3580-90

Brand

Bellota

EAN code

8414299566543

Use

For fruit tree pruning. Ideal
for large branches.

Bullet points

Will last a lifetime. High wear resistance tempered steel blades for continuous professional use.

Perfect finish. Special blade polishing for easy and clean cutting. Special blade shape for big diameters: 50cm. Perfect for fruit trees pruning.

Exclusive and unique. Our 'easy adjustment' blade-counter blade is precise, simple and stable and we have PATENTED it. For an easy and clean cut.

Shock absorbing spring with greater contact surface for effortless cutting.

Perfect grip. Lightweight, balanced and ergonomic aluminium handle with elastomer grip.

Description

Two hand fruit tree lopper with 50mm cutting diameter. The blade and counter-blade are forged from special high wear resistant steel to extend the life of the tool. It has a patented blade-counter blade adjustment system: Easy Adjust joint system is a precise, simple and stable system. It has extra shock absorbers with a larger contact surface for less effort, more cushioning and less fatigue during pruning work. Elliptical aluminium handles with Soft Touch grips for comfort during work.
