## Hand Brush Stainless Steel Straight Wire / 50802-3

Brand

Bellota

EAN code

8414299372502

Use

For light brushing and cleaning jobs and for removing paint, varnish, scale, rust and small burr.

Bullet points

Your greatest ally. Essential high-quality hand tool or light brushing jobs.

Clean without contaminating. Wave goodbye to rust and soot marks on stainless steel, aluminium or other mixes.

Perfect finish. Straight wire, 0.3 mm in diameter (3 rows) for a professional and precise job.

Description

Hand brush made of 0.3mm-thick stainless steel straight wire, with high wear-resistance and excellent performance. With wood handle for easy brushing and greater reach. For removing welding scale, cleaning rust from metal surfaces, removing paints and coatings and treating surfaces such as wood and stone. Special for contamination-free cleaning of rust and soot stains on stainless steel, aluminium or special alloys.
