## Narrow Hand Brush Stainless Steel Corrugated Wire / 50806-I

Brand

Bellota

EAN code

8414299372861

Use

Handheld brush for light brushing jobs in hard to reach areas.  
Brush, clean and remove paint, varnish, scale, rust and small  
burr.

Bullet points

Spid narrow hand brush, for difficult to reach areas.

Your best ally. Indispensable, high-quality hand tool for hand brushing.

Specially designed for stainless steel. Say goodbye to rust, coatings and dirt stains on stainless steel, aluminium or other alloys.

Perfect finish. 0.3mm-thick stainless steel straight wire for a professional work with the best results.

Description

Spid narrow hand brush made of 0.3mm-thick stainless steel corrugated wire, with high wear-resistance and excellent performance.

With plastic handle for easy brushing and greater reach. For hard to reach areas (grooves, angles, . . . ), removing welding scale, cleaning rust from metal surfaces, removing paints and coatings and treating surfaces such as wood and stone. Special for contamination-free cleaning of rust and soot stains on stainless steel, aluminium or special alloys.
