Drilling hammers

Product reference

5308-B CF

Carbon Fibre Handle Drilling Hammer 1.40kg / 5308BCF

Brand

Bellota

EAN code

8414299625073

Use

Help yourself with the chisel and cold chisel and open channels
in walls effortlessly.

Bullet points

Strike with ease. High quality forged steel with homogeneous hardening and tempering.

Will not break, warp or wear. Equally reliable and safe: perfect head-to-handle fit.

Carbon fibre, resistant, ergonomic and with lateral grooves handle to prevent slip.

Description

Professional Spanish drilling hammer with forged steel head (hardness control in the striking areas). Carbon fibre handle with increased strength and improved ergonomics, with lateral grooves to prevent slipping. Guarantee on the conical joint (safety). For demolition, swidden and striking works.
