5501-3 M

Certified beech wood T-handle pointed shovel 290mm / 55013M

Brand	EAN code	Use
Bellota	8414299500400	Digs, collects rubble, cement, earth...this shovel makes it easy for you.

Bullet points

It won't let you down. Unbreakable sheet metal pointed shovel, heat-treated to prevent deformation and wear.
It won't wobble. Perfect joint between the shovel and the handle making your work safer.
Comfortable grip. T-handle made of PEFC-certified beech wood, varnished and soft touch.

Description

Professional pointed shovel made of top-quality, heat-treated sheet steel for maximum durability and elasticity, resistant to wear and deformation. The blade is ribbed and the bucket fits perfectly into the handle, without burrs or protrusions. T-handle made of PEFC-certified beech wood, lightweight and pleasant to the touch. Ideal for digging and collecting debris.
