Plastering trowels

Product reference

5865

Long steel plastering trowel with wooden handle 480x150mm / 5865

Brand

Bellota

EAN code

8414299663075

Use

Do finishing work, extending and smoothing cement, mortar, plaster and other materials. Handle designed for right and left-handed people.

Bullet points

It will last for a long time without wear and tear. Long blade made of special Bellota treated steel, resistant to abrasion.

Perfect finish. Varnished blade with extraordinary flexibility and flatness.

Long wooden handle for comfortable spreading and smoothing of cement or plaster with both hands.

Description

Professional extra long straight trowel with high quality flexible steel blade, maximum durability without deterioration. Perfectly flat blade to guarantee the perfect finish, varnished to prevent rust and perfectly fitted. For two-handed operation, effort optimised.

Ergonomic wooden handle, lightweight and pleasant to the touch. For finishing work in masonry.
