Product reference
5882

Polyurethane pointed float 262x140 mm / 5882

Brand

Bellota

EAN code

8414299442922

Use

Float for concrete, mortar
and other surfaces

Bullet points

Don't be afraid of it wearing. Very lightweight polyurethane float, manufactured in a single piece with a grooved base.

With this useful rectangular base, masonry finishing and cleaning is much easier.

Comfortable grip. Very lightweight, ergonomic plastic handle with grip adapted to all uses.

Description

Professional polyurethane pointed float, for easy access to corners and nooks. Made of just one piece, very lightweight and ergonomic. Grooved base for a fine-grained finish and a smooth, non-marking edge. For finishing, smoothing or troweling cement, mortar and other materials.
