Joint knives

Product reference
5896-R

Stainless steel inside corner joint knife / 5896R

Brand

Bellota

EAN code

8414299564549

Use

Sealing and finishing drywall joints. To putty screw heads.

Bullet points

Unbreakable. Rounded blade with a 90° angle, perfectly straight and polished, manufactured in blued carbon steel.

It won't wobble. Perfect fit between handle and blade, for precisely taping and going over joints.

The most comfortable grip. Lightweight, ergonomic aluminium handle, smooth to the touch.

Description

Stainless steel nook putty knife, high quality and maximum durability. Perfect handle-key joint. PEFC-certified beech wood handle with a pleasant touch and stainless steel ferrule. For nook work and finishing.
