Use

Collects hay and manure with ease thanks to the sharpened prongs, tempered along their entire length.

Bullet points

Unbreakable. Three-prong fork forged in one single piece with Bellota special steel. Heat-treated. It will last a lifetime, does not break, does not deform and does not wear out. The prongs are sharp to hold the bales well and hardened along their entire length to better withstand the weight. They are painted to prevent rust and facilitate maintenance.

Handling bales will be easier. Help yourself with the soft touch PEFC ash wood handle, you can choose among long, T or D handle.

Description
