

FOR CONSTRUCTION / TILING / TILE CUTTERS AND ACCESSORIES /
FIT tile cutter

Product reference

FIT80B

Ceramic cutter Fit with bag 850mm / FIT80B

Brand

Bellota

EAN code

8414299699043

Use

For tiling work for ceramic tiles up to 850 mm in length.
Includes transport bag and XL8 scoring wheel.

Bullet points

Robust and versatile cut. Compact design with steel base and double-anchored turrets.

Easy and comfortable cut. Cutting capacity up to 15 mm thick and with adjustable spacer.

It allows straight cuts up to 850 mm (FIT80) or 1050 mm (FIT100) and angled cuts, with the aid of side supports to ensure a better support of the tile.

Description

Fit ceramic cutter with 850mm (FIT80B) or 1050mm (FIT100B) cutting length, maximum thickness of 15 mm, 600 Kg of separation force, includes square ruler and 8 mm XL scoring wheel. Compact design, sturdy steel base and ribbed turrets, versatile machine for tiling work for ceramic tiles up to 1 metre long. With carrying bag.
