Product reference

L2

Lightweight Air Hoe Head / L2

Brand

Bellota

EAN code

8414299651737

Use

For turning soil, weeding, hoeing and fine details. For specific maintenance work.

Bullet points

You'll hardly know it's there. 40% lighter thanks to its design and build. Always new.

Completely tempered + Reinforced rib that prevents the blade from warping, provides additional rigidity and avoids wear of the cutting edge.

Description

Lightweight Air hoe for cultivated soil. For soil turning, weeding and hoeing and for fine work. The blade is short and narrow for specific maintenance work. The eye of the hoe is oval, so that the head-handle fit is stable.
