8011-E/8009-D

Bullet points

Beech wood handle. PEFC certified. Wood is sourced from sustainably-managed forests.

Perfect finish. High quality wooden handle Varnished, lightweight, smooth to the touch.

Design and comfort are not at odds with each other. Ergonomic design adapted to the geometry of the tool.

Description

PEFC™-certified beechwood handle for ball peen hammer models 8011 and 8009, which guarantees the chain of custody of the wood we use to manufacture the handles. These handles are made of premium quality wood and are light and pleasant to the touch. Their ergonomic design adapts to the shape of the tool and their varnished finish allows a perfect grip. With patented fiberglass wedge, more stable joint.
