

FOR CONSTRUCTION / TILING / TILE CUTTERS AND ACCESSORIES /  
TECH tile cutter

Product reference

TECH 100

## Professional large-format ceramic cutter 1000 mm / TECH100

Brand

Bellota

EAN code

8414299634259

Use

For the most professional installer with the most demanding needs. For cutting large formats. Tiles up to 125 cm in length and up to 20 mm in thickness. It won't let you down. Includes XL 10 mm scoring wheel.

Bullet points

Powerful and robust. Optimal design and exclusive assembly system with very resistant materials. Comes with a trolley bag for portability.

A force of only 2 kg is needed to score a tile. Maximum precision glide even for the longest tiles.

Perfect finish. Reinforced aluminium guides to prevent friction and clearance.

Description

Professional patented Tech ceramic tile large-format cutter, TECH100 (1.000 mm) - TECH125 (1.250 mm), maximum thickness of 20 mm, 1000 Kg of separation force, includes 10mm XL square-trolley-scoring wheel. Integrated, robust, precise and lightweight construction. A force of only 2 kg is needed to score a tile. For the most demanding professional tiler.

## Characteristics and attributes

---

### Attributes

Cutting length (in mm): 1000

Suitcase included: Yes

### Characteristics

Maximum cutting length at 90° (in mm): 1000

Maximum cutting length at 45° (in mm): 98

Maximum cutting height (in mm): 20

Maximum cutting thickness (in mm): 20

Accessories supplied: Square ruler,RODELXL10

Guide type: Solid steel

Slide type tool carriage: Sliders made of PA66 extra-wide technical polymer

Cutter wheel diameter (in mm): 10

Separator type: Multipoint

Separator power (in kg): 1000

Floating base: Yes; Aluminium

Extenders: Yes; Aluminium

Stop type: Aluminium injection

Graduated square
